

Summer Learning

Choose at least 1 activity from each category to complete throughout the summer. Once you have done it have your parent sign it when you completed it. You can receive an extra 2 points for each activity that you do by bringing a picture back with you to school!

5 points	Parent Initials
Build a fort with a friend	
Jump on a trampoline or jump rope for as long as you can	
Do a random act of Kindness	
Read 3 books outside, either you read or have your parent read to you	
10 Points	
Paint rocks that you found in your backyard and put them places when your family might find them	
Make an obstacle course in your yard and then challenge some to see who can do it faster. You can use chalk sticks, rocks, whatever you can find.	
Write all your numbers 0-120 on a separate sheet of paper, use your best handwriting	
Make an ice cream sundae with your mom or dad	
15 Points	
Go to the beach and make a pattern with different shells you find	
Write a list of words that rhyme	
Make a crazy design with chalk outside by your house	
Plant a seed, take care of it, and watch it grow.	
20 Points	
Go to a lake or pond and look for animals	
Write 5 sentences on a separate sheet of paper about what you want to be when you grow up and why	
Go to the Zoo with your family	
Write Ms. Chambers a letter telling her something important about you	

Reflection

Write AND draw about one of the activities that you did from the list.

Remember to use your best handwriting AND a complete sentence.
