An Important Note:

Please note, tuition alone does not cover the full cost of educating our children. The 2021-2022 full cost to educate your child was over \$8,500. Good Shepherd Parish underwrites the cost of education for all of our students. We therefore invite families who are able to supplement their tuition payment with a tax deductible contribution. *Please check with your accountant for personal deduction limits.*

Financial aid is available. You must first submit your registration form and all the financial information into factsmgmt.com. The financial aid committee looks at all applicants and allots the money based on those with the greatest need.

Your generosity and prayerful discernment is great appreciated. We thank those of you that help to sponsor another child.
